Carton	10 pieces

DESCRIPTION

Unisex micropolar jacket with a slim fit, made from recycled polyester: warm, breathable and treated to resist pilling. The jacket features a stand-up collar with a tonal plastic zip, two zippered side pockets and a zip chest pocket to secure essentials. Elasticated cuffs and hem improve fit and comfort, and an internal collar hanging loop helps with storage.

The two-tone design is finished with a chevron-style yoke and contrast piping between body and sleeves, giving a tidy, professional look while reinforcing structure. A three-compartment elastic pen holder on the left sleeve keeps pens and small tools handy. Available in several colour options and sizes XS to 5XL.

This jacket can be personalised from a single piece: embroidery, screen printing transfers, MSO transfer, DTF printing and flex (heat transfer) are available. Suitable for companies, sports clubs, associations, schools and individuals seeking a personalised jacket with your logo. YourVisualHere offers logo vectorisation and studio artwork services prior to production.
