DESCRIPTION

This unisex eco-friendly zipped pullover is designed for work and outdoor use: a straight cut in recycled polyester that provides thermal insulation and a fleece-like feel. The lined collar with a recycled plastic zip offers wind protection, and reinforced shoulder and forearm panels increase durability for demanding tasks. It comes in several colours, including Black, Dark Grey and Forest Green, and is available from XS to 5XL to fit a wide range of users.

The garment features a rounded zippered chest pocket and two zippered front pockets with passepoil in taslan, plus 2x2 tubular ribbing at the cuffs and hem for a tidy fit. A detachable brand label and an internal hanging loop at the collar improve practicality, while tone-on-tone topstitching adds strength and a clean finish.

This personalised pullover/cardigan/gilet can be customised from one piece using embroidery, screen-print transfer, MSO transfer, DTF printing or flex. Suitable for companies, sports clubs, associations, events and individuals. Our design studio can vectorise or refine your logo; free quote within 24 hours on weekdays, collection in Evere or delivery to Belgium, France and Luxembourg.
