DESCRIPTION

Men's work jacket in polyknit made from 100% recycled polyester (380 g/m²) with contrasting softshell panels. The straight cut for men, high collar and zip with chin guard provide practical protection and light thermal comfort; the brushed knit gives a soft feel and is easy to care for (wash at 40°C). Available in several colours, for example Black, Navy Melange / Black and Light Grey Melange / Black, in sizes S to 5XL.

The jacket features multiple useful pockets: two zip side pockets, a right-hand chest zip pocket and two inner pockets. Two-layer softshell panels on the upper body, sides and under the sleeves increase weather resistance, while contrast bias finishes at the cuffs and hem offer neat detailing. Detachable brand label leaves room for custom branding.

This item works well as a personalised jacket for companies, sports clubs, associations, schools and private customers and can be personalised from one piece. Available marking techniques: screen printing, MSO transfer, DTF printing, flex and embroidery. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
