DESCRIPTION

Men's fleece-lined cardigan designed for workwear where warmth and comfort are priorities. The outer layer is a cotton/acrylic blend with a polyester microfleece lining, delivering insulation without bulk. It features a straight cut, stand-up collar and full-length zip, and is available in several colours (Black, Forest Green, Navy) from sizes S to 4XL. 2x2 rib knitting at the shoulders, sides and sleeves gives structure, while the double rib at the collar, cuffs and hem provides a neat finish.

Practically, the cardigan includes two zip pockets at the front and an invisible internal side zip to access areas for customisation on the side or back. Ribbed cuffs and hem ensure the garment holds its shape, and the lined sleeves make it easier to put on. Care should follow the manufacturer's guidelines for mixed cotton/acrylic textiles.

Personalise this personalised pullover/cardigan/gilet from one piece: available marking techniques include screen printing transfer, MSO transfer, DTF printing, flex and embroidery. Suitable for companies, sports clubs, associations, schools, youth movements and private customers. Free quote within 24 hours on weekdays, standard production, collection at our Evere workshop or delivery in Belgium, France and Luxembourg. Our design studio can retouch or vectorise your logo.
