Label	Tear-away (ideal for branding)
Labels and certifications	PETA Vegan
Country of origin	China
Carton	15 pieces

DESCRIPTION

Practical one-size tool bag designed for ladder work, made from durable polyester with a flat back and reinforced handles that allow it to sit securely on a standard double ladder. The large central compartment accommodates bulkier tools such as a drill, while several internal panels and external pockets organise screwdrivers, keys and small parts. Care follows standard polyester recommendations for easy maintenance.

The visible details include a wide top opening for quick access, reinforced stitching in high-wear areas and a flat-backed construction that stabilises the bag on ladder rungs. External pockets provide rapid access to frequently used tools and the shoulder strap offers easy carriage between job sites.

This personalised bag can be customised from a single piece using screen printing transfers, MSO transfers, DTF printing or flex. Ideal for companies, tradespeople, clubs, associations and private customers who need a practical branded solution for works at height.

KEY FEATURES

- Multi-purpose tool bag.
- Lots of practical storage spaces.
- Easy to personalise.
