DESCRIPTION

A practical unisex tool bag designed to carry tools while keeping hands free. Made from polyester, it features a tool sleeve with eight compartments and an open front pocket for quick access to frequently used items. The adjustable belt with buckle provides a secure, comfortable fit in one size. Polyester construction makes it easy to maintain and well suited to regular workshop or on-site use.

The bag includes several external pockets of varying sizes, a side hammer loop and a tape-holder strip for organised tool storage. Visible stitching and reinforced tool openings provide durable performance for daily use. Available in 1 colour, for example full grey.

Easy to personalise for companies, clubs, associations, schools or private customers, this personalised bag can be decorated using screen printing transfer, MSO transfer, DTF printing and flex (heat transfer vinyl). It can be personalised from a single piece and our design studio can vectorise or retouch your logo. Free quote within 24 hours on weekdays; collection in Evere or delivery to Belgium, France and Luxembourg.
