DESCRIPTION

Tool roll in one size, made from polyester, designed to store up to 22 tools such as screwdrivers, pliers and wrenches. It has a roll-up design with stitched individual pockets and a lined interior for structure; the polyester construction keeps it lightweight, durable and easy to clean.

Practical details visible on the photo include stitched compartments that keep tools secure, a lower pocket for bulkier items and corded draw stoppers to hold the roll closed. Reinforced edges and regular stitching ensure the roll holds its shape and withstands daily workshop use.

This personalised tool roll can be customised from one piece and suits companies, workshops, clubs, associations and individuals wanting a branded storage solution. Customisation techniques available: screen printing transfer, MSO transfer, DTF printing, flex. Our studio can vectorise or adjust your logo ; free quote within 24 hours on weekdays, collection in Evere or delivery in Belgium, France and Luxembourg.
