DESCRIPTION

Removable tool pouches in Cordura®, sold as a pair and designed to clip onto trouser belt loops. One size fits most; the pouches are made from durable 100% Cordura and include several compartments for organising screws and hand tools, plus a strap for hanging an implement. A silver piping reinforces the edges for added durability.

In use, the clip fastenings keep the pouches securely at the waist and one pouch features a D-ring for attaching a carabiner or tool. Built to withstand abrasion, they are practical for site work where quick access to essential tools matters.

These personalised accessories bagagerie can be customised from 1 piece using embroidery, DTF printing, flex, screen printing, single- or multi-colour transfers, embroidered patches, pad printing and digital printing. Suitable for companies, sports clubs, associations and individuals. Our studio can retouch or vectorise your logo; free quote within 24 hours on weekdays, standard production 10 working days, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
