Carton	15 pieces

DESCRIPTION

Tool bag in 600D polyester designed to store and transport power tools and accessories. One-size with a wide rigid zip opening for easy access; the polyester construction gives the bag good shape and makes it easy to care for. Available in several colours, for example navy and black. The bag can be personalised from a single piece and is suitable for tradespeople, technicians and DIY users who need a practical work bag.

The bag features several external pockets to organise small tools and fittings, a reinforced shoulder strap and sturdy carrying handles with a comfort grip. The base is reinforced with rubber feet to protect contents when placed on the ground and to improve durability. Reinforced stitching at the handles is visible to ensure strong load-bearing performance.

Customisation options include screen printing transfer, MSO transfer, DTF printing and flex. Suitable for companies, sports clubs, associations, events and private customers; our design studio can retouch or vectorise your logo before production.

KEY FEATURES

- Ultra-resistant.

COLOURS (1)
