Average weight	1770 g
Label	Tear-away (ideal for branding)
Labels and certifications	PETA Vegan
Country of origin	China
Carton	10 pieces

DESCRIPTION

Unisex work bag in polyester with a rigid plastic base, built to carry and organise tools. The single large top opening gives quick access to contents, while lateral webbing straps reinforce the structure and allow attachment of a spirit level. It includes a carrying handle and an adjustable shoulder strap for comfortable transport on site.

Practically, the bag features multiple external pockets for pliers, screwdrivers and cutters, and the plastic base protects against moisture and rough surfaces. Reinforced straps and attachment points improve durability; polyester is easy to spot-clean for routine maintenance.

This personalised bag can be ordered and customised from one piece with DTF printing, screen printing transfers, transfer MSO or flex. Recommended for companies, sports clubs, associations, events and individuals looking for a durable, branded tool bag.

KEY FEATURES

- Very sturdy and hard-wearing.
- Easy and convenient single opening.
- Adjustable shoulder strap for greater comfort.
