DESCRIPTION

This polyester holdall (100%) is designed for work, sports or short trips. Its rectangular shape and large zip opening make packing straightforward, while reinforced handles and a removable adjustable shoulder strap provide multiple carrying options and comfort for heavier loads. The robust fabric (600D, weight 870 g/m²) ensures good durability and easy care.

The bag includes a front zip pocket for small items, a side shoe compartment to keep the main compartment clean, and an ID pocket for identification. Stability feet protect the base and extend the bag's life. Visible details in the photo show wide webbing handles and a top handle with a Velcro fastener for secure carrying.

This personalised bag can be customised from a single piece and is available in several colours (e.g. Black, Dark Grey, Navy). Decoration methods: screen printing transfer (Transfert Sérigraphique), MSO transfer (Transfert MSO), DTF printing (DTF) and flex (Flocage). Suitable for companies, sports clubs, associations, events and private customers; our graphic studio can retouch or vectorise your logo.
