Country of origin	Bangladesh
Carton	90 pieces

DESCRIPTION

Unisex padded cap in a trapper/aviator style with earflaps and a clip fastening to secure them. Constructed from padded polyamide with soft insulation in the crown and earflaps, it is available in a fluorescent colour (e.g. Fluorescent Yellow) and comes in one size. Easy care suitable for synthetic fabrics.

The inner side of the earflaps and front brim shows a thick, fleece-like lining for comfort and thermal performance, visible on the product photo. A reflective band on the side improves visibility on site. The clip fastening allows the flaps to be secured up for freedom of movement or closed for maximum protection.

This personalised cap can be ordered from a single piece and is well suited to companies, construction teams, associations and individuals needing a warm, high-visibility headpiece. Personalisation options: embroidery, screen printing transfer, DTF printing, flex (heat transfer). Our studio can vectorise or refine your logo prior to production.

KEY FEATURES

- Soft padding.
- Adjustable ear flaps for optimum comfort.
- Available in a fluorescent color.
