DESCRIPTION

A unisex cap built for cold-weather work, with a six-panel construction, fleece lining and fold-down earflaps for added comfort and warmth. The curved peak and panelled shape give a secure fit, while the adjustable rear cord with stoppers ensures a tailored one-size fit. Made from polyester for lightweight durability, it is suitable for regular professional use and easy maintenance.

Practical details include integrated earflaps that fold down for protection or tuck away when not needed, and a structured peak with a contrasting edge visible on the product image. The six-panel build maintains stability on the head and good wearability during active tasks.

This personalised cap is ideal for companies, clubs and associations working outdoors or running events and can be customised from one piece. Available decoration methods: screen printing (transfer), MSO transfer, DTF printing, flex (heat transfer) and embroidery. Free quote in 24 hours on weekdays; our design studio can vectorise or refine your logo. Collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
