Labels and certifications	PETA Vegan
Country of origin	China
Carton	60 pieces

DESCRIPTION

Unisex polyamide belt designed for workwear, adjustable from M to 2XL using a metal buckle that locks the strap length. The webbing offers a firm yet lightweight hold and is easy to care for; the straight cut and visible width in the photo provide stable fit through belt loops. Available in several colours including Black / Pearl Gun and Navy / Old Silver, in sizes M/L and XL/XXL.

The rectangular metal buckle allows quick, secure adjustment without a hole system; visible stitching at the loops indicates a hard-wearing finish suited to regular use. The understated design integrates well with work trousers or uniforms and the synthetic material resists everyday abrasion and movement.

Offered as a personalised belt, this model can be customised from one piece. Available marking techniques include embroidery, DTF printing, flex, screen printing, screen print transfers (1 colour and multicolour), embroidered patches and pad printing to brand the belt or an attachable patch. Suitable for companies, sports clubs, associations, events and private individuals; our studio can retouch or vectorise your logo. Free quote within 24 hours on weekdays, collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
