DESCRIPTION

The unisex KING crewneck sweatshirt is made from a soft blend of 80% cotton and 20% recycled polyester, delivering comfortable wear with a clean, structured fit. Side seams give it a tailored silhouette while the classic crew neckline and ribbed cuffs and hem provide secure shaping and everyday comfort. It comes in several colours, including Navy, Heather Grey and White, and is available from XS to 4XL.

Practical details include side seams for improved fit, a traditional neckline and elasticated cuffs to reduce wear. The pre-shrunk, combed fabric helps retain shape after washing, making this sweatshirt suitable for regular use in corporate, club or event settings.

This personalised sweatshirt can be customised from one piece and is ideal for companies, sports clubs, associations, schools and private customers. Available decoration techniques: DTF printing, screen printing/transfers, transfer MSO, flex and embroidery. Free quote within 24 hours on weekdays; standard production 10 working days. Collection in our Evere workshop or delivery in Belgium, France and Luxembourg. Our design studio can vectorise or refine your logo.
