DESCRIPTION

Men's zipped hoodie with a fitted cut, made from a soft blend of pre-shrunk ring-spun cotton and recycled polyester. The hood is jersey-lined with flat cords and the garment features ribbed cuffs and hem for a secure fit. Available in several colours such as Asphalt, Heather Grey and Navy and in sizes S to 4XL, it is suitable for everyday wear, workwear or team clothing.

The hoodie has a full covered zip for a clean finish, a neck tape and a back yoke for added comfort. The photo shows practical front pockets and neat stitching that help preserve the shape after washing. The eco-responsible fabric balances durability with a soft touch.

This personalised zipped hoodie can be customised from a single piece using techniques including screen printing (Transfert Sérigraphique), transfer (Transfert MSO), DTF printing, flex and embroidery. Recommended for companies, sports clubs, associations, schools, youth movements and private customers; our graphic studio can vectorise or retouch your logo before production.
