DESCRIPTION

Women’s fitted crew neck sweatshirt with a close-fitting cut designed for a neat silhouette and everyday comfort. The fabric blend is 80% pre-shrunk ring-spun cotton and 20% recycled polyester (RCS certified), featuring a soft hand and a neck tape; offered in several colours including Black Pure and sizes S to 3XL.

Practical details include a ribbed crew neckline, ribbed cuffs and hem for shape retention, and a back half-moon. The finish is clean and uniform, suitable for corporate, association or personal use, with easy care typical of cotton/polyester mixes.

This personalised crew neck can be customised from one piece using screen printing (Transfert Sérigraphique), DTF printing, flex (heat transfer), transfer MSO or embroidery. Ideal for companies, sports clubs, associations, events and private customers — our design studio can vectorise or refine your logo before production.
