DESCRIPTION

This women's hoodie features a fitted cut designed to sit close to the body while remaining comfortable for everyday wear. Made from a cotton blend with recycled polyester, it has a single-jersey lined hood, flat drawcords with metal tips and a back yoke. Available in 1 colour (Black Pure) and sizes XS to 3XL, the soft fabric and neat finishes make it a practical choice for teamwear or casual uniforms.

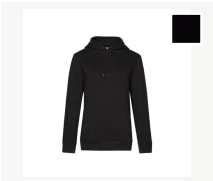

Side seams and a neck tape provide better shape retention and stability after washing, and the lined hood adds warmth and structure. The feminine fit and clean details (cords, hems) make this hoodie suitable for daily wear, outings or club use.

This personalised hoodie can be customised from one piece using Transfert Sérigraphique (screen transfer), DTF printing, Flex (flocking), transfer and Embroidery. Suitable for companies, sports clubs, associations, events and private customers — our design studio can also vectorise and prepare your logo.
