DESCRIPTION

This women’s zip hoodie features a slim, tailored cut with side seams for a fitted look and a covered metal zipper for a clean finish. The hood is single-jersey lined and fitted with flat drawcords with metal aglets. Made from 80% pre-shrunk ring-spun cotton and 20% recycled polyester, it offers everyday comfort and easy care.

Practical details include a kangaroo pocket, ribbed cuffs and hem for shape retention, and a neck tape with a half-moon back that improves comfort and durability. The slim cut flatters the figure while allowing natural movement.

This personalised zip hoodie can be customised from one piece using embroidery, flex, DTF printing, screen print transfers and MSO transfers. Suitable for companies, sports clubs, associations, events and private customers. Our in-house design studio can retouch or vectorise your logo prior to production.
