DESCRIPTION

Work trousers for men with a practical, utilitarian cut and a tapered leg offering a neat fit. Masculine cut with an elasticated back waistband and internal drawcord for an adjustable fit, zip fly with button fastening and five belt loops. Made from 78% polyester, 20% viscose and 2% elastane in a twill fabric that breathes and reduces perspiration. Available in several colours such as Black, Navy or Royal, and in sizes XXS to 3XL.

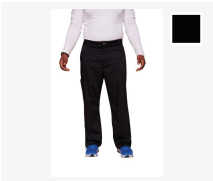

The design includes seven pockets: double cargo pocket, patch pockets at the front, rear pockets and an accessory pocket — ideal for tools, phone and small items. Reinforced stitching and articulated knees provide durability and freedom of movement in work settings. A logo label with an elastic loop is integrated for convenience.

Suitable as a personalised trousers option for companies, sports clubs, associations, schools and private customers: embroidery, DTF printing, flex, screen printing, transfers, embroidered badges and pad printing are available. We offer in-house graphic studio support to vectorise or retouch your logo; customisation possible from one piece.
