DESCRIPTION

This women's wrap-style tunic features a crossed V-neck designed for comfortable professional wear. Made from a polyester/viscose/elastane blend, it delivers a neat, tailored look thanks to front and back princess seams and shoulder yokes that improve fit and freedom of movement. Short sleeves and side vents add comfort during long shifts. Available from XXS to 3XL in several colour options, it is suitable for everyday professional use and easy-care laundering.

The tunic includes two patch pockets for essentials, hidden instrument loops and a label with an elastic loop for small accessories. The serge-like fabric and neat stitching provide a crisp finish and reliable wear over time.

This personalised tunic can be marked by screen transfer, Transfert MSO, DTF printing, flex and embroidery. Ideal for companies, clinics, schools, clubs and individuals who need branded workwear; customisation is possible from one piece and our artwork studio can vectorise and prepare your logo.
