DESCRIPTION

Men's V-neck work tunic designed for professional use, with a masculine cut in serge fabric. Composed of 78% polyester, 20% viscose and 2% elastane, it offers structure with light stretch; the photo shows a back yoke seam, short sleeves and a straight fit. Available in several colours (for example Black, Navy, Royal) and sizes XXS to 3XL.

Practical features include a chest pocket with pen slot and two patch pockets for easy storage, internal labels with elastic loop and side vents for improved airflow. Visible seams and the rear yoke contribute to the garment's durability and make it simple to care for in everyday professional use.

Order a personalised work tunic with embroidery, screen printing, DTF printing, flex (heat transfer) or MSO transfer. Suitable for companies, sports clubs, associations, schools and private customers; it can be personalised from one piece and our studio can edit or vectorise your logo.
