DESCRIPTION

This unisex bodywarmer offers high visibility and weather protection for everyday work. Sleeveless with a stand collar and zip front, it is constructed from three-layer waterproof polyester with a cosy fleece lining to retain warmth. Contrasting hem and horizontal and vertical reflective bands increase safety. It comes in several colours (e.g. Hi Vis Orange, Hi Vis Yellow, Hi Vis Yellow / Navy) and sizes S to 3XL.

Useful features visible on the vest include a chest phone pocket with flap and a D-ring beneath for accessories, plus two large lower flap pockets for practical storage on site. The straight cut and navy trim help keep the most exposed area cleaner during use.

Customisable from a single piece, this personalised bodywarmer is ideal for trades teams, companies, clubs and associations. Decoration options: screen print transfer, MSO transfer, DTF printing, flex and embroidery. Our artwork studio can vectorise or retouch your logo for printing.
