DESCRIPTION

Unisex bodywarmer designed for outdoor work: sleeveless cut with a full front zip and a slightly longer back for added coverage. The three-layer 100% polyester construction includes a waterproof TPU membrane and a microfleece lining for thermal comfort and weather protection. It features two zipped handwarmer pockets and a zipped chest pocket for secure storage. Available in several colours and in sizes S to 3XL; specific hi-vis colourways comply with EN ISO20471:2013 category 2.

Five-centimetre reflective bands around the torso and on each shoulder enhance visibility. Fully waterproof zips and branded zipper pulls improve day-to-day usability. The durable polyester exterior is easy to care for and suited to demanding environments.

Customisation available — personalised bodywarmer: we offer Transfert Sérigraphique (screen printing transfer), MSO transfer, DTF printing, flex (heat transfer vinyl) and embroidery. Recommended for companies, construction sites, clubs, associations, events and private customers; can be personalised from one piece with help from our artwork studio.
