DESCRIPTION

Unisex bodywarmer designed for high visibility and warmth, made from water-repellent polyester with a fleece lining and quilted polyester padding. Sleeveless with a hood and a high collar including chin protection, and a central zip closure for easy wear. Offers thermal comfort while remaining practical for active use. Available in several colours and sizes S to 3XL.

The jacket shows a diamond quilt stitch, a zipped chest pocket and two zipped hand-warming pockets. Reflective piping at the hem and two wide reflective bands improve visibility. Practical details include an internal fixed fleece pocket and a discreet internal zip for personalisation.

This personalised bodywarmer can be customised from one piece using screen printing (screen printing), MSO transfer (transfer), DTF printing, flex or embroidery. Suitable for companies, construction sites, clubs, associations, events and private customers needing a functional high-visibility garment. Our design studio can retouch or vectorise your logo.

KEY FEATURES

- Fleece lining and padding to stay warm.
- Two zipped hand-warmer pockets at the side.
