DESCRIPTION

Unisex high-visibility jacket in polyester designed for outdoor work. Straight cut with a full-length zip to the chin, reflective bands around the body and shoulders, and two lower patch pockets. The coated polyester body and diamond-quilted polyester padding provide thermal support while detachable sleeves allow quick conversion to a gilet for versatile use. Available in several colour options including Hi Vis Orange / Navy and Hi Vis Yellow / Navy, sizes S to 3XL. Certified to EN ISO20471:2013 Category 2.

Visible details include quilted sleeves with diamond stitching and elasticated cuffs; the coated fabric offers water resistance and the padding adds warmth without excessive bulk. The construction prioritises mobility and durability for regular outdoor duties.

Customisable from one piece, this personalised jacket can be finished with embroidery, screen printing, DTF printing, transfer and flex. Suitable for companies, construction teams, clubs and associations; our in-house graphic studio can retouch or vectorise your logo before marking.
