DESCRIPTION

Unisex dog vest in 100% polyester (180 g/m²) designed to increase safety and visibility during walks or tasks. The vest has a close-fitting cut with an opening at the neck and secure Velcro fastenings under the neck and across the body for an easily adjustable fit. Available in three sizes (S to L) and multiple colours, including Hi Vis Orange and Hi Vis Yellow.

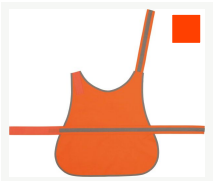

Reflective bands run across the body and along the edges to enhance lateral and rear visibility; the finishing is flat to sit comfortably against the coat. Polyester ensures easy care, and the Velcro closures allow quick on/off while preserving the dog's freedom of movement.

This personalised dog vest can be customised from a single piece: marking options include screen printing transfers, MSO transfers, DTF printing and flex transfers. Suitable for companies, clubs, associations and private customers who need visible, branded gear for teams, working dogs or events.

KEY FEATURES

- Safety and visibility.
- Sturdy Velcro fastening under the neck and body.
