DESCRIPTION

This unisex short-sleeve high-visibility polo is made for teams working outdoors who need reliable visibility. Woven from 100% polyester (210 g/m²), it features a three-button placket, contrast knit collar and cuffs, and double-needle stitching for a neat finish. Certified EN ISO20471:2013 class 2, it comes in several colours such as Hi Vis Orange and Hi Vis Yellow and is available in sizes S to 3XL.

The design includes two horizontal reflective bands around the torso and one reflective band on each shoulder to ensure frontal and lateral visibility. The regular cut and short sleeves suit everyday work use; follow the manufacturer's care guidance to preserve the reflective strips and colour fastness.

These personalised polo shirts can be customised from one piece and are ideal for companies, clubs, associations and event teams. Available marking techniques: screen printing transfers, MSO transfer, DTF printing, flex and embroidery.
