DESCRIPTION

Unisex chasuble designed for visibility and safety, made from 100% polyester (120 g/m²). It features a sleeveless, loose cut with a round neckline for easy on/off and a reflective border to improve lateral visibility. Available in several colours (for example Orange, Navy, Yellow) and sizes from Child to XXL/3XL, the lightweight polyester ensures comfort and easy care.

The chasuble includes elastic sides and a 10 cm Velcro strap on each side for a secure, quick fit. Large printable areas on the front and back allow clear placement of logos or text. The visible finishing is geared towards durability for professional use on sites, at events or during interventions.

This item can be personalised from one piece: we offer screen printing transfer, MSO transfer, DTF printing and flex to apply your logo or text.
