DESCRIPTION

A unisex long-sleeve polo designed for high-visibility work environments, made from 100% polyester (210 g/m²) for comfortable wear. It features a contrasting ribbed collar and cuffs, a 3-button placket and double-needle finishing for improved durability. Available in several colours including Hi Vis Orange and Hi Vis Yellow, it meets EN ISO20471:2013 Class 3; the Hi Vis Orange version also complies with GO/RT 3279.

The image shows wide 5 cm reflective tape encircling the torso, across each arm and a tape on each shoulder to enhance frontal and lateral visibility. The contrasting collar and cuffs help the garment retain shape in professional use. Sizes run from S to 3XL.

This personalised polo can be ordered from one piece and suits businesses, sports clubs, associations, schools and private customers. Personalisation techniques available: screen printing transfers, MSO transfer, DTF printing, flex (heat transfer) and embroidery. Our studio can vectorise or adapt your logo for production.
