DESCRIPTION

This unisex TShirt for high visibility is made from 100% polyester with a soft touch for comfortable wear during professional activities. It comes in several colour options and sizes from S to 6XL, featuring a straight cut, short sleeves and a ribbed crew neck that keeps its shape through regular use. The polyester fabric is practical to maintain and designed for situations where visibility matters.

The garment includes two 5 cm reflective bands around the torso and one on each shoulder to ensure effective frontal and lateral signalling. Double-needle stitching reinforces the seams and the ribbed collar and cuffs provide lasting fit. Each piece is individually packed, convenient for distribution across teams or groups.

As a personalised TShirt, it’s suitable for companies, sports clubs, associations and individuals. We apply customisation using screen print transfers, MSO transfer, DTF printing and flex (heat transfer vinyl). Our graphic studio can vectorise or retouch your logo to ensure a sharp, professional finish.
