Available in several hi-vis colours, for example Hi Vis Orange and Hi Vis Yellow, in sizes S to 3XL.

The garment features two 5 cm reflective bands around the body and arms and one on each shoulder to maximise visibility, with double-needle finishes for durability. It complies with EN ISO20471:2013 category 3 and the orange version meets UK GO/RT 3279 Issue 8:2013, making it suitable for environments requiring certified high-visibility apparel.
