DESCRIPTION

Unisex jacket designed for outdoor work with diamond-quilted padding and a nylon lining for added comfort. Constructed from 100% polyester with a PU 300D coating, it is available in several colours such as Black, Hi Vis Orange and Hi Vis Yellow and in sizes from S to 6XL. This personalised jacket can be customised from a single piece and should be cared for as you would technical polyester outerwear.

The jacket features an ultra-durable zip protected by a storm flap secured with press-studs, two external flap pockets, an internal patch pocket and a hood hidden in the collar. Elasticated hem and cuffs provide a secure fit, and seams are stitched and taped for enhanced weather protection. The quilted padding adds insulation and structure.

Customise with DTF printing, transfer, flex, screen printing or embroidery (DTF printing / transfer / flex / screen printing / embroidery). Ideal for companies, construction sites, clubs, associations, events and private customers. Ask for a free quote on weekdays; our artwork studio can retouch or vectorise your logo prior to production.
