DESCRIPTION

Unisex high-visibility jacket engineered for wet and cold conditions: a PU Oxford outer with quilted polyester padding and nylon lining provides comfort and protection. Shorter cut, stand-up collar and a hood integrated into the collar with drawcords; elasticated cuffs and hem reduce draughts. Offered in several colour options (for example Hi Vis Orange/Navy, Hi Vis Yellow/Navy) and sizes S to 3XL.

The jacket features a heavy-duty front zip with storm flap and press studs, sewn and taped seams for waterproofing, two flap pockets on the exterior and an internal patch pocket — practical details for regular professional use and straightforward care due to its polyester construction.

This personalised jacket can be custom printed from one piece. Available marking techniques: screen printed transfer, MSO transfer, DTF printing, flex and embroidery. Suitable for companies, work sites, clubs, associations, schools and events; our graphic studio can retouch or vectorise your logo.

KEY FEATURES

- Waterproof Oxford PU coating
- Ultra-resistant zip at the front with a storm flap
- Stitched and bonded seams for a perfect seal
