DESCRIPTION

Unisex high-visibility contrast jacket designed for outdoor work. The straight cut, quilted padding and polyester Oxford outer with PU coating provide windproof and water-resistant protection. Suitable for field staff, event organisers, parking attendants and emergency personnel, it is offered in several colourways (for example Hi Vis Yellow/Green and Hi Vis Yellow/Royal Blue) and can be personalised from one piece. Certified to EN ISO20471:2013 Category 1 and EN343: Class 3.1.

The photo shows a jacket with a stand-up collar and a central fastening with visible press-studs. Practical details include two front flap pockets, an internal security pocket and a dedicated pocket for phone or walkie-talkie. Continuous reflective bands enhance visibility; reinforced seams and full-length sleeves give durability for active use. Follow the manufacturer’s care guidance to preserve the PU coating.

Personalisation options: screen printing transfer, MSO transfer, DTF printing, flex (flock) and embroidery. Recommended for companies, sports clubs, associations, schools, youth movements, events and private customers who need a personalised jacket with a logo. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
