DESCRIPTION

Unisex high-visibility parka-style jacket combining a waterproof, breathable polyester Oxford outer shell (100% polyester, 260 g/m²) with a quilted inner jacket attached by zip to create a 7-in-1 system. The outer jacket features a concealed detachable hood, removable sleeves and fully taped seams for enhanced waterproofing; the inner jacket is reversible to black for low-profile use.

Designed for practical outdoor use, the parka has two external hand-warmer pockets, chest pockets for phone and ID and additional pockets on the inner jacket. The zip connection between layers and the removable sleeves make the jacket adaptable to changing weather. Available in several colours including Hi Vis Orange, Hi Vis Yellow and bi-colour options such as Hi Vis Yellow / Navy, in sizes S to 3XL.

This personalised jacket suits companies, clubs, associations, events and private customers and can be customised from one piece. Personalisation techniques available: embroidery, DTF printing, screen printing transfers, transfer MSO and flex. Free quote and in-house graphic studio available to prepare your logo.
