| **Country of origin** | China |
| **Carton** | 60 pieces |

## DESCRIPTION

A unisex garment built for visibility and wet-weather protection: this trouser/pantacourt is made from 100% polyester with an Oxford PU coating, featuring a straight cut and elasticated waistband for comfort. Seams are sewn and taped to improve waterproofing, and two 5 cm reflective bands at the lower legs increase visibility. Available in several colourways (for example Hi Vis Orange, Hi Vis Yellow, Hi Vis Orange / Navy) and sizes S to 3XL.

The leg ends are adjustable with press studs, useful when worn over work boots. Reflective bands are placed on a contrasting lower section (navy on some versions) to maintain clear visibility in low light. Compliant with EN ISO 20471:2013 category 1 and EN343 for bad-weather protection; specific colours also meet the UK rail requirement GO/RT 3279.

These personalised trousers can be customised from one piece for companies, construction sites, clubs, associations and events. We provide embroidery, screen printing, flex, DTF printing, screenprint transfers (single-colour and multicolour), embroidered badges, tampography and digital printing on items. Free quote within 24 hours on weekdays; collection at our Evere workshop or delivery in Belgium, France and Luxembourg.
