DESCRIPTION

Unisex lightweight poncho in PU-coated polyester, designed to provide waterproof coverage and to be worn comfortably over other garments. Available in three sizes (Child to Large) with thermally sealed internal seams to reduce water ingress. Features a 1/4 zip collar and a large hood for adjustable protection, plus an integrated tonal storage pouch for compact stowing.

The loose fit allows layering over jackets or sportswear, while the thermosealed seams ensure a clean finish without exposed stitching. Offered in several colours — for example Black, Orange and Yellow — the poncho is practical for outdoor events and easy to care for to preserve the PU coating.
