DESCRIPTION

Unisex hat and accessories item in elastic polyester, designed to increase visibility for roadside events, cyclists and security personnel. The product features a 5 cm wide Hi-Vis material with a reflective tape for enhanced visibility by day and night. One size fits most; can be worn across the shoulders or around the waist and is easy to care for thanks to its polyester construction.

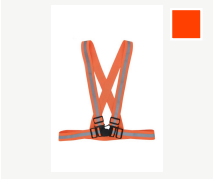

The harness includes two adjustable buckles and a central clip fastening at the waist for secure, quick adjustment. Crossed straps keep the item stable during movement while the elastic finish makes it simple to put on and adapt to different body shapes.

Order this personalised hat and accessories from a single piece: available marking techniques include embroidery, DTF printing, flex, screen printing and transfer depending on placement and artwork. Recommended for companies, sports clubs, associations, events and individuals. Free quote within 24 hours on weekdays; graphic studio available. Collection from our Evere workshop or delivery in Belgium, France and Luxembourg.
