The vest complies with EN1150:1999 and features 5 cm reflective tapes around the torso and on each shoulder to enhance visibility. It is easy to care for and intended to be worn over everyday clothing for school trips and supervised activities.

The vest is finished with contrast piping at the neck and armholes to improve durability in use. Two horizontal chest bands and vertical shoulder bands increase visibility from the front and sides, while the Velcro® closure allows children to put it on and take it off quickly.
