DESCRIPTION

Unisex high-visibility vest made from 100% recycled polyester, designed for work and safety use. The sleeveless cut and hook-and-loop (velcro) fastening ensure easy wear and good ventilation on site. It features two 5 cm reflective bands around the torso and one on each shoulder, meeting EN ISO20471:2013 (Class 2 for Hi-Vis colours, Class 1 for the others). Available in several colour options and sizes M to 3XL.

The two-tone construction includes a darker lower panel that helps mask dirt and clean edge stitching for durability. Reflective strips are positioned for 360° visibility and the velcro closure allows quick adjustment. Follow the textile manufacturer's care instructions for washing.

Customisable from one piece for companies, sports clubs, associations, events and private customers, personalised vest can be marked by embroidery, screen printing (screen printing/transfer), transfer MSO, DTF printing or flex. Our graphic studio can vectorise your logo and we provide a free quote within 24 h on weekdays. Collection in Evere or delivery in Belgium, France and Luxembourg.
