DESCRIPTION

Unisex quilted jacket designed for outdoor work: a water-repellent polyester outer with a fleece lining and quilted padding to retain warmth. Straight cut with a stand-up collar and integrated chin guard, closed by a central zip. Offered in several colours, including Black, Hi Vis Orange and Hi Vis Yellow, and available in sizes XS to 3XL.

The jacket features V-shaped reflective bands on the body and sleeves, reflective piping at sleeve and hem, a zipped chest pocket, two zipped hand-warmer pockets and a fixed fleece inner pocket. An invisible customisation zip at the lower inside edge allows marking without affecting the garment's fit. The quilted finish provides a neat, durable appearance.

This personalised jacket can be ordered from one piece and suits companies, sports clubs, associations and individuals needing enhanced visibility. Possible techniques: Transfert Sérigraphique (screen printing), DTF printing, flex, transfer MSO and embroidery. Our design studio can retouch or vectorise your logo prior to production.
