DESCRIPTION

Unisex high-visibility gilet in polyester, designed for professional settings where enhanced visibility is required. Straight cut with full-length zip, 5 cm reflective tape around the body and on each shoulder, multiple front pockets including a phone/walkie-pocket on the left, ID pocket on the right, and compartments for pens and keys. Available in several colours (for example Hi Vis Orange, Hi Vis Yellow, Navy) and sizes S to 5XL. Complies with EN ISO20471:2013 (category 1 or 2 depending on colour) and EN 1150:1999 for selected shades.

The polyester fabric is low-maintenance: wash at 40 °C, do not bleach, do not iron, do not tumble dry. A large rear area is left clear for clear branding without obscuring the reflective bands. Lower flap pockets offer top and side access, useful for tools or paperwork.

This personalised gilet can be customised from one piece; our studio can retouch or vectorise your logo. Possible marking techniques: screen printing transfer, MSO transfer, DTF printing and flex (heat transfer vinyl). Ideal for companies, construction sites, clubs, associations, events and private customers seeking visibility and functionality.
