DESCRIPTION

Unisex high-visibility gilet in a lightweight mesh construction, made from 100% polyester including recycled polyester from PET bottles. The sleeveless cut with front zip allows quick donning and good airflow, making it comfortable to wear over other layers. The breathable mesh is suited to warm working conditions and is maintained according to standard polyester care.

The vest features 5 cm reflective tape across the body and shoulders and a range of practical pockets: transparent chest pocket for ID, phone/walkie pocket on the heart side, lower pockets with dual access, pen slots, key holder and a radio loop. It is offered in several colourways (e.g. Hi Vis Yellow, Hi Vis Orange, Red / Hi Vis Yellow) and sizes S to 3XL.

This personalised pullover/cardigan/gilet can be customised from a single piece on a wide range of textile. Available marking techniques include screen printing transfer, DTF printing, transfer and flex. Suitable for companies, construction sites, clubs, associations and events seeking visibility and practical storage.
