KP958

Sailor's beanie

• The nautical look coordinates with all styles.

• Sustainable synthetic fibre that keeps you warm and respects the environment.

• Optimum traceability.

100% Polylana® (50% recycled polyester / 50% polyester). Polylana® fibre feels as soft and pleasant as wool, is an alternative to acrylic and has a low environmental impact, requiring less energy, water and CO2 emissions for its production. Polylana® yarn is certified Impact Aware™, guaranteeing a 100% transparent and responsible product over the entire production chain, including the Aware™ blockchain platform which can be used to verify the authenticity of the Polylana® fibre. A special label with a QR code provides access to the Aware™ platform for direct authentication of certifications using a smartphone.
